PUBLICATION INSTRUCTIONS FOR AUTHORS

Submission Guidelines

1. Manuscript must not exceed 35 pages of plain paper (A4).
2. Manuscript must have a title and an abstract in both Arabic and English on one page; the abstract should not be more than 250 words. The manuscript should include, in both languages, keywords that indicate the field of specialization. The keywords are written below each summary and should not be more than six.
3. The author(s) name(s), affiliation(s) and address(es) must be written immediately below the title of the article, in Arabic and English.
4. The Arabic manuscript is typed in Simplified Arabic, in 14-font size for the main text, and 12-font size for notes. 5. The English manuscript is typed in Times New Roman, in 12- font size for the main text, and 9-font size for notes.
6. The manuscript is typed only on one side of the sheet, and line spacing should be single. Margins should be 2.5 cm (or 1.00 inches) on all four sides of the page.
7. The manuscript must have the following organization:
   Introduction: It should indicate the topic and aims of the research paper, and be consistent with its ideas, information and the established facts. The research problem(s) and importance of the literature review should also be introduced.
   Body: The manuscript body includes all necessary and basic details of research approach, tools and methods. All stated information should be arranged according to priority.
   Findings and Discussion: Research findings should be clear and brief, and the significance of these findings should be elucidated without repetition.
   Conclusion: It is a brief summary of the research topic, findings, recommendations and suggestions.
8. Figures, diagrams and illustrations should be included in the main text and consecutively numbered and given titles, with explanatory notes beneath them.
9. Tables should also be included in the main text, consecutively numbered and given titles at the top, with explanatory notes below.
10. Footnotes should be added at the bottom of each page, when necessary. They are to be indicated by numbers or asterisks, in 12-font size for Arabic and 9-font size for English.
11. The Journal of the North does not publish research and measurement tools (instruments). However, they must be included in the submission(s).
12. Citations must follow the American Psychological Association (APA) reference style in which both the author's name and year of publishing are mentioned in the main text, i.e. (name, year). Numbering the references inside the main text and adding footnotes are not allowed.
    Researchers' documentation must be as follows:
    - For single author, the author's family name, followed by a comma, and the publishing year, such as (Khayri, 1985).
      Page numbers are indicated in the main text in case of quotations, such as (Khayri, 1985, p. 33).
    - If a manuscript has two authors, they must both be cited as shown previously, e.g. (AL-Qahtani & AL-Adnani, 1426 H).
    - If there are multiple (more than two) authors, their family names must be mentioned the first time only, e.g. (Zahran, Al-Shihri, & Al-Dusari, 1995); if the researcher is quoting the same work several times, the family name of the first author followed by "et al." [for papers in English] and by "وآخرون" [for papers in Arabic] must be used, e.g. (Zahran et al ., 1995) / (1995 ،زهران وآخرون) Full publishing data must be mentioned in the bibliography.
13. The bibliography, list of all the sources used in the process of researching, must be added in alphabetical order using the author's last name according to the APA reference style (6th edition) in 12-font size for Arabic and 9-font size for English.
    The bibliography should be organized as follows:
    Citation from books:
    Citation from a one-authored book:
    Shotton, M. A. (1989). Computer education? A study to computer dependency . London, England: Taylor & Francis.
